And so, on the fourth to sixth level, there are four Tarnished, who form a special “Lands Between”, and ascend together to dominate all of the lands. The Argentine has already claimed the award for the past two years on three previous occasions, the most recent being in 2014. It is surely no surprise that he has continued his dominance, but another award could see the five-time Ballon d'Or winner come close to matching the records set by the Brazilian Ronaldo, who collected five trophies in 2000.
