Magnetic Paper Magnetic Paper (www.magnetpaper.com) is an online resource that teaches Photoshop-like techniques for manipulating images and making creative design changes. You can browse tutorials on its site and purchase full tutorials for things like resizing and cropping images. ## The Big Three: Illustrator, InDesign, and Photoshop The _Big Three_ (also known as the big four or big five) are Photoshop, Illustrator, InDesign, and InCopy. Each one performs a different type of image manipulation, so it's important to be familiar with all four if you're a graphic designer. You can use all four, if you like. But if you don't want to (or can't) spend the time, money, and effort, then pick two. You'll do fine in Photoshop, Illustrator, or InDesign.

Bimatoprost, a novel prostamide, reduces the severity of glaucoma in a canine glaucoma model. To evaluate the ability of topical bimatoprost to reduce intraocular pressure (IOP) and to inhibit intraocular damage in a canine glaucoma model. One eye of 10 dogs was treated with topical bimatoprost, and the fellow eye served as an untreated control. All eyes were examined by slitlamp microscopy, tonometry, and red-free funduscopy. Bimatoprost lowered IOP by a mean (+/- SE) of 14 +/- 3.5 mm Hg from 22 +/- 2.0 mm Hg (P While this measure has been on the books for a while, it has yet to pass the Senate. But since it was voted up for the full House just last week, it's now on the radar of constitutional experts who are working to define its parameters. The confusion around the controversial law has the government, and is growing and increasing. So what exactly can and can't be done under the new law? What does the law say? Criminalizing people who travel to, or from, countries with a drug problem. Fines of up to \$250,000 and up to 10 years in jail. Susceptible to long-term incarceration. Also, vulnerable communities such as indigenous and Aboriginal Australians, refugees, people with a mental illness, and single parents could be affected. Who will be affected? The National Apology to the Stolen Generations This year, the government has already apologised to the Stolen Generations. However, it's estimated it is still less than half way to even meeting the requirements of the Prime Minister's revised apology. What's the difference? Prime Minister Malcolm Turnbull explained in 2017 that the ministers responsible for Aboriginal affairs have come up with a way to satisfy the requirements of the legislation. This will deal with the sense of betrayal which many Stolen Generations members still feel and will include the establishment of a royal commission into the entire issue, something that Minister Alan Tudge has also
