In order to generate the hyperparameter CNN's Richard Quest: "Blacks in The US Should Have The Right To Vote." On his CNN program Quest Means Business, Richard Quest stated that "all people in the United States" have the right to vote and that he "cannot see a reason why, after four centuries, there is still any sort of discrimination". QUEST: All people in the United States, whatever race, whatever gender, whatever nationality, whatever ethnicity, whatever religion, have the right to vote and should have the right to vote. That is the end of the story. It is that simple. He went on to insist that he is "not the least bit interested in pointing out and embarrassing people whose reasons have actually led them to believe something differently" and said there is "no justification whatsoever" for anyone not to vote.HiFi media to players January 20, 2018.
