Chef Roshan Kalra sets out to find the true source of happiness and rekindle his passion for food while being more present in his son's life. Based on a true story, the film tells the story of Chef Roshan Kalra who, upon receiving higher education in London, returns to India to join Chef Shahid Kapoor. He becomes the assistant of Rajiv Kapoor, who at one time was a master of haute cuisine, and it was he who opened the world's first Michelin-starred restaurant, Shahid Kapoor, which allowed the restaurant to achieve success in India and beyond.
