
Corinda 13 Steps To Mentalism (Complete).pdf 2021

Less than 30 MB! Tony Korinda was a famous inventor, writer and teacher of the art of mind reading. He was persuaded to write a book by his friends and ... his own ego! At least that's what they say. In this book, Korinda hypothesizes that he can see the events that happened around him in the past. He claims to be able to use his skills to read and understand the events around other people. He has written numerous books and research papers. Some of his books have been published both in the United States and in Germany. Corinda is considered one of the world's leading mind readers.
